

Style tile

Hello World

Title/headers

Good-bye World

Sub-title

Talks about the un-Talked

PURCHASE

May 20th - 23rd
Baltimore, MD

WHAT ARE WE ABOUT?

We are a place to congregate and voice the issues we as People of Color face in our own design community.

We are here to listen, discuss, and plan on how we can make our work lives safer and so that we are on equal footing to our white counter-parts.

Lend us your voice so we can start working towards a better future where all opinions are equally valued.
